- The app - **"WeatherApp"**
- Visual Studio Code
- Bootstrap
- Github pages

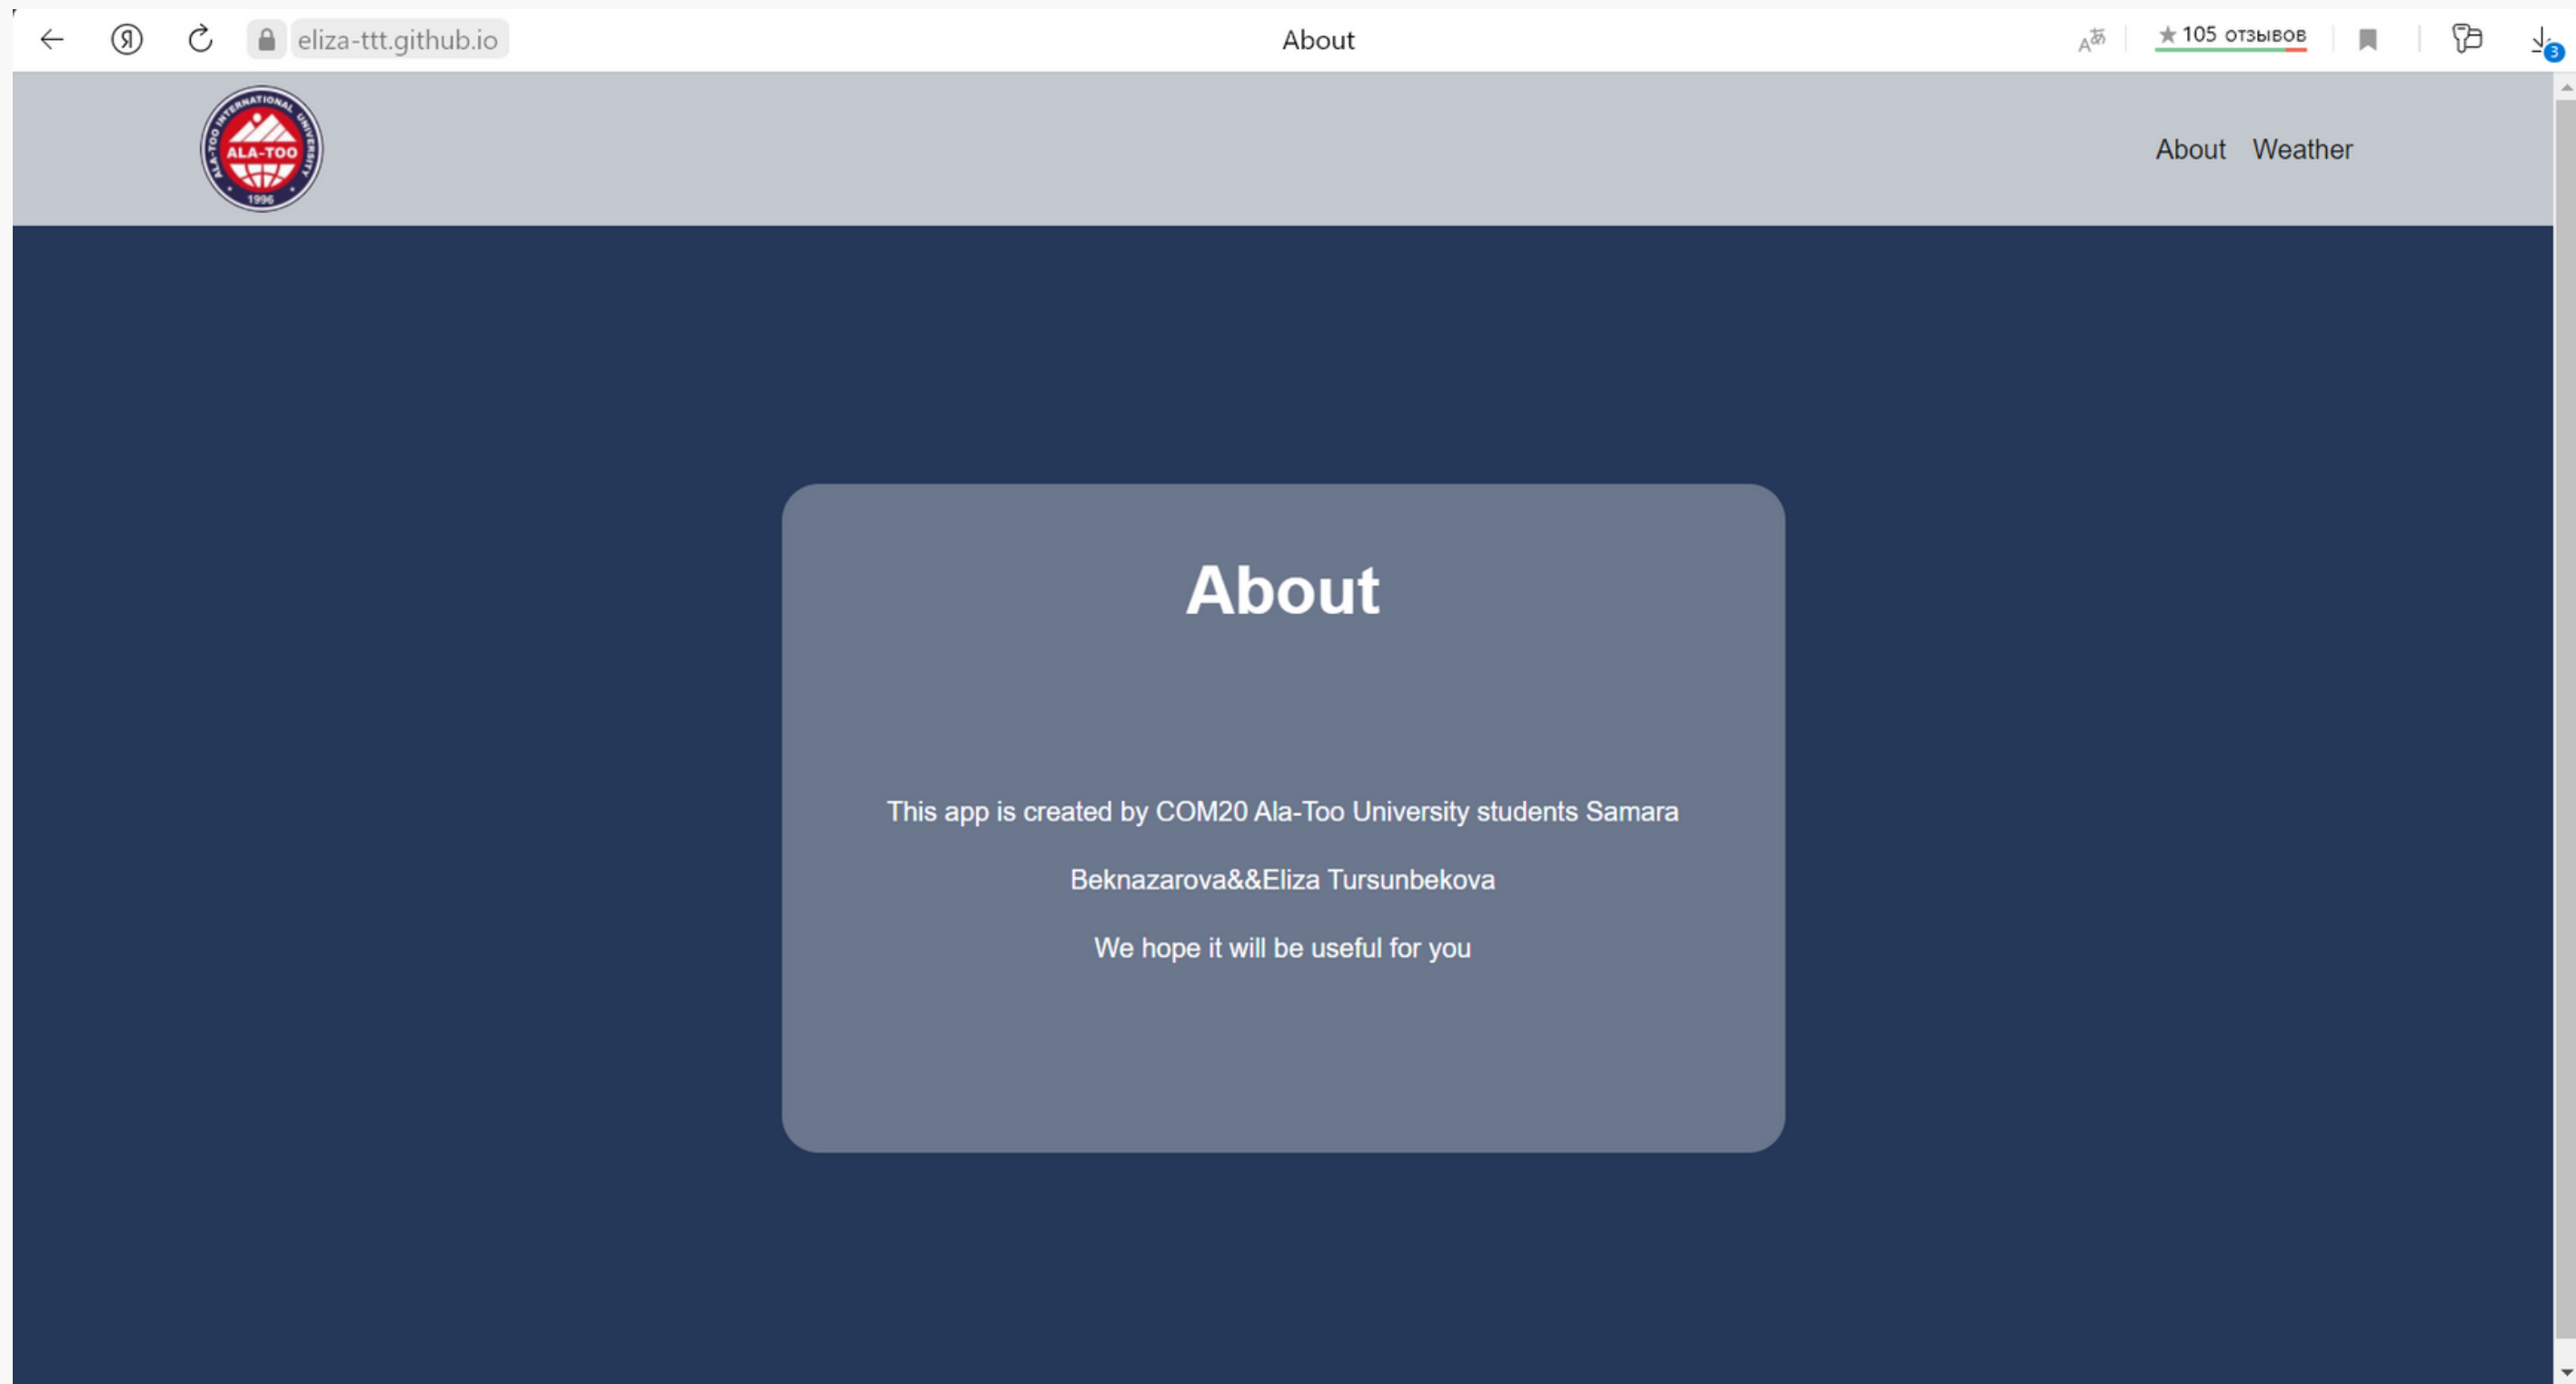

## Description:

If we write incorrect city name or leave empty you can see this

## Description:

Then we get the result of searching

## **Description:**

Also you can get info by clicking ABOUT

# **COMPUTER SCIENCE DEPARTMENT**

**Com20**

The background of the image is a light-colored, marbled pattern with swirling grey and white veins, resembling natural stone or marble.

**Thanks!**
